

Young people from YMCA North Tyneside attended the 2008 YMCA European Festival in Prague during August where they had the opportunity to be involved in a number of workshops, attend performances, meet with young people from all over Europe and generally have a good time. The group was also responsible for a YMCA shop where they sold ice cream and drinks.

Whilst there the group were able to participate in a variety of sports, participating in different competitions.

Since their return members of the group have remained in contact with young people from all over Europe and plan to meet up again in the future.
